

A-A-P: A project for software development, distribution and installation. Important part is the "Aap" program. It replaces the "make" program and offers many extra features, such as automatic downloading and uploading over the internet, support for CVS and installing required tools. A-A-P is free and open-source software.

The ICCF Holland foundation helps needy children in the poor south of Uganda. AIDS strikes hard here and results in many orphans. If you sponsor a child it will be able to attend school and get the help that it needs. With your donation AIDS education is given and an essential clinic is kept running. The foundation works with volunteers, 98% of the money is directly for the benefit of the children.
